

## Bringing Sustainability to Communities: A Real World Example from Audubon International

### Joanna Nadeau

*Director of Community Programs, Audubon International*

In this talk, Nadeau, along with Sal Celona, Coordinator of Living Green in the Verdes, offer up Rio Verde, Arizona as an example of Audubon International's approach to working with communities on incorporating sustainability into all aspects of life.

Nadeau offers a decade of expertise in coordinating sustainability programs for natural-resources conservation. She holds a Masters in Environmental and Healthy Cities Planning from the University of Arizona.
