

Integrating Sustainability as a Key Driver within the U.S. EPA

Bill LeFew

Mathematician

U.S. EPA's National Health and Environmental Effects Research Laboratory

Rory Conolly

Senior Research Biologist

U.S. EPA's National Health and Environmental Effects Research Laboratory

Stephen Edwards

Systems Biologist

U.S. EPA's National Health and Environmental Effects Research Laboratory

The U.S. EPA now integrates sustainability within the organization's responsibilities. This is a fundamental shift in priorities, from an agency focused on risk management, to one addressing sustainability challenges. This talk will feature a panel of experts discussing the current strategic sustainability initiatives the EPA is taking.

Moderated by Kenneth Galluppi, director, ASU's Decision Theater.

Wednesday, October 17, 2012
12:00 - 1:30 p.m.

(lunch will be provided)

Wrigley Hall, Room 481

Arizona State University, Tempe campus
