

# International Finance and Climate Change

## Alan Miller

*Principal Climate Change Specialist, Climate Business Group at International Finance Corporation, World Bank Group*

## Vladimir Stenek

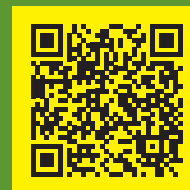

*Senior Climate Change Specialist, Climate Business Department of the International Finance Corporation, World Bank Group.*

In this talk, Stenek and Miller will discuss how the International Finance Corporation (IFC), private sector arm of the World Bank Group, works with international partners to catalyze resources and help business fill financing and knowledge gaps so they can help to mitigate and adapt to climate change.

Miller has authored reports on climate financing, climate policy and environmental regulation. Stenek leads the IFC's Climate Risk and Adaptation Program, along with other initiatives related to climate change and development.
