

CAP LTER Seminar

March 5th | 4:00 – 5:00 PM | LSC 202

The Central-Arizona Phoenix Long Term Ecological Research (CAP LTER) Seminar Series aims to provide an opportunity for individuals interested in social-ecological systems and urban ecology to engage in the CAP community and share ideas.

For the birds!

Emily Webb

Ph.D. Candidate, School of Life Sciences

Collaboration with Community Scientists and Museums: Using Window-strike Birds to Collect Ecophysiology Data

Jeff Brown

Postdoctoral Researcher, Central Arizona-Phoenix Long-Term Ecological Research Program

No Fry Zones: How the Distribution of Restaurants Influences Avian Communities

**Seminar also available via Zoom.
