

ABILITY360

CENTER

Parking at the Ability360 Center is available in the four-tier parking structure located to the southeast of the main building. From Washington St., make a right turn just past the main building and follow the private drive to the parking structure. Make a left turn into the structure while bearing in mind that maximum vehicle clearance is 10 feet. Parking within the structure is free of charge to employees and visitors alike. An ample number of accessible parking spots, as well as elevator and stair access, are located on each level.
