

Jump Starting the Local Food Economy

Miguel Jardine

CEO, VermiSoks

Greg Peterson

Founder, The Urban Farm

Join Miguel Jardine and Greg Peterson as they outline three specific things you can do to contribute to your Local Food Economy and discuss the VermiSoks system.

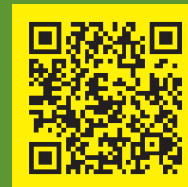

Miguel Jardine is the CEO and founder of VermiSoks. The VermiSoks system is a virtuous cycle of green that converts consumable food by-products into lush organic growth.

Greg Peterson is the founder of the Urban Farm, a real world environmental showcase home in the heart of Phoenix, Arizona.

This event is part of ASU's "No Impact Week," a week-long series of events and experiments in low-carbon living. Register to receive daily emails on how to participate in the No Impact Experiment.
