

Ships vs. Whales

Gershon Cohen

Co-Executive Director, Great Whale Conservancy

In this talk, Cohen will discuss the status of blue whales and the threats they face, including ships strikes, sonar and seismic testing, and commercial krill harvests.

Cohen co-founded the Great Whale Conservancy (GWC) in 2010. GWC's focus is stopping ship strikes on endangered blue whales in the world's major shipping lanes. Cohen holds a bachelor's in biology, a master's in molecular biology, and a doctorate in environmental policy.
