

Efficiency First: Building a Better Tomorrow

Hugh Wolf

Board Member, Efficiency First Arizona

In this talk, Hugh Wolf will discuss how the nonprofit organization, Efficiency First, is working to help shape national and local policies within the building-performance industry.

Wolf spent most of his career in business development working in the real estate, construction, and finance industries. He has owned and operated businesses and functioned as a business development consultant for a variety of regional and national companies. He is currently managing director of Eco Kong, Inc. a company that analyzes building performance.
