

The Power of Aquaponics

George Brooks

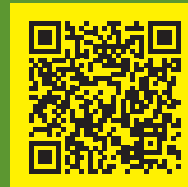

Co-Founder, RighTrac, Inc.

STEM education, healthy foods, and good jobs will drive Phoenix's 21st century economy and sustainability holds the key. Join us for a wide-ranging conversation as Brooks discusses "The Power of Aquaponics" to address these needs and more.

Brooks is a founder of the urban aquaculture firm RighTrac and regularly contributes to The Arizona Republic on sustainability, green jobs, water, diversity, and community awareness. He is a member of the PlanPhx leadership team responsible for creating the new City of Phoenix General Plan.
