

Coffee Talk: Toward sustainable coffee production, trade & business

Hallie Eakin

Assistant Professor, School of Sustainability

Dr. Eakin's research investigates economic globalization, agricultural change, and rural vulnerability to climate. Eakin has conducted case studies in Mexico, Argentina, Guatemala, and Honduras. She is currently exploring coffee farmers' adaptive strategies in Mexico and Central America.

Jason Silberschlag

Owner, Cartel Coffee Lab, Tempe and Phoenix

Through his popular coffee roaster and espresso bars, Silberschlag aims to work directly with coffee farmers (mostly in Guatemala and Brazil). His company invests in those farms to improve their coffee production as well as quality of life for all those involved at origin. Cartel was recently named one of the top workplaces in Arizona by *AZ* magazine.
