

## A WRIGLEY SERIES LECTURE

# BEYOND UNIVERSAL REMEDIES FOR GOOD WATER GOVERNANCE: A POLITICAL AND CONTEXTUAL APPROACH

Presented by the Wrigley Lecture Series on Sustainability | Co-Hosted by Integrative Graduate Education and Research Training (IGERT) in Urban Ecology Program and the North American Center for Transborder Studies (NACTS) at Arizona State University

Helen Ingram is a Research Fellow at the Southwest Center at the University of Arizona and a Professor Emeritus at the University of California, Irvine. Author of 13 books and over 100 peer reviewed articles and book chapters, Professor Ingram has made scholarly contributions to water resources policy, environmental policy, science and public policy as well as public policy theory. She holds a B.A. in government from Oberlin College and a Ph.D. in public law and government from Columbia University.
