

The Secret to Building a Thriving Organic School Garden

Terra Rose Ganem

Founder, Grown Organic Kids

In this talk, Ganem will tell the story of how she built Grow Organic Kids, an organization that gives children access to healthy food and experiential education. From the first organic garden in a local school to the development of an entire organization, she will expand upon her experience in creating a successful model and community engagement strategies for success.

Ganem holds a degree in Nonprofit Leadership and Management from Arizona State University. She founded Grow Organic Kids in April 2013.
