Wrigley Hall Goes Zero Waste!

Come learn how you can help the ASU Sustainability headquarters, Wrigley Hall go Zero Waste! It's as easy as recycling, composting, and terra-cycling. Don't know what those terms mean? Want to learn what you can actually put in recycling bins? Have burning questions about composting? Come have your questions answered and myths de-bunked while snacking on delicious treats with School of Sustainability students, staff, and faculty. Lucky attendees will receive awesome prizes to help them go zero waste!
