

# Sustainability and the Navy

## Rear Admiral Yancy Lindsey

*Commandant, Naval District Washington*

Rear Admiral Lindsey is a native of Phoenix, with 30 years of active service as a Naval Aviator. He has served in a variety of assignments, commanded both at sea and ashore, including his current post as the 89th Commandant of Naval District Washington.

In this talk, Rear Admiral Lindsey will discuss his experiences with the US Navy's energy initiatives.

Light Refreshments will be provided.

**Tuesday, March 22, 2016**  
**3:00 - 4:45 p.m.**  
**Wrigley Hall, Room 481**  
Arizona State University, Tempe campus

This event is co-sponsored by ASU LightWorks, School of Future Innovations in Society and the Sustainability Solutions Festival, Walton Sustainability Solutions Initiatives.
