RELEASE, INDEMNITY, & ASSUMPTION OF RISK
SUSTAINABILITY INITIATIVES FIELD TRIP & OTHER ACTIVITIES

Name of Participant: ________________________________

In consideration of being offered the opportunity to participate in field trips and other activities associated with sustainability initiatives at off-campus locations that are under the sponsorship of non-ASU entities and/or observation of the application of sustainable solutions and/or results thereof outside the classroom (collectively, the “Activities”), I am signing this release, indemnity and assumption of risk statement (“Release”) so that I may take advantage of the opportunity to participate in such Activities. This Release covers all events and occurrences associated with the Activities, including any associated necessary travel. If I have any concerns about my health or ability to participate, I will address these concerns with the course instructor and seek appropriate accommodations, if available, for my concerns.

I understand that students will be responsible for their own actions and the results of those actions. It is expected that students know and will abide by Arizona State University policies and regulations, the Student Code of Conduct and all instructions presented by Arizona State University faculty and staff members, written or verbal.

I hereby agree that I will only engage in reasonable/responsible behavior and be respectful of other people’s property during travel to and from and while attending these field trips and any associated events.

I understand there are risks associated with travel and the Activities and I agree to assume such risks, including the risk that unexpected events may occur and result in harm, injury or illness to me, or damage to or loss of my property while I am participating in the Activities. I agree to indemnify the State of Arizona, Arizona Board of Regents, Arizona State University and their officers, employees, agents and representatives (Indemnified Parties), and not to sue any of the Indemnified Parties for any harm or damage associated with my participation or travel if the harm or damage is not due to the negligence or fault of ASU.

In this agreement, “ASU” means Arizona State University, the Arizona Board of Regents, the State of Arizona, and their Regents, employees and agents.

I, being an adult, have read the above statement and fully understand the contents, consequences and implications of signing this document. The terms hereof shall serve as an indemnity, release and assumption of risk by myself, my heirs, estate, executor, administrator, assignees and for all members of my family.
