Adopt Textbooks in Follett Discover

Search by ISBN, Author Name, Title or Keywords

To search by ISBN, author name, title or keywords, perform the following steps:
2. Click on Launch Follett Discover in the Follett Discover Module (opens in a new tab or window).
3. A list of your courses will be visible. If you do not see your courses, contact your Department Administrator.
4. Click on the desired course title.
5. Click the magnifying glass in the upper-right corner to open the search box.
7. Click the title of the text, select usage settings and Adopt. The text is now associated with the course.

8. Textbooks remain Pending until the Department Administrator approves the selection. Return to the course page to see text status.
Browse for Texts by Discipline and Subject

To browse for texts by discipline and subject, perform the following steps:

1. Go to Blackboard Home (https://myasucourses.asu.edu/).
2. Click on Launch Follett Discover in the Follett Discover module (opens a new tab or window).
3. A list of your courses will be visible. If you do not see your courses, contact your Department Administrator.

4. Select semester and year. Note: to skip text adoption and enter the course manager, click on the course title.
5. Click **Select Discipline** for the desired course.
6. Click Select Subject.
7. Click Discover for this Course to see textbook options.

8. Sort results by relevance, popularity, publication date.
9. Optional: click Filter Results to reduce the number of results. Use the check box to see only publisher materials, pre-approved materials, open education resources, adopted materials or videos. Refresh to update search results.

10. Click the Title to see details. Select usage settings for Required, Recommended or Choice eTexts. Click Adopt.
    The text is now associated with the course but not available to students.
11. Optional: Add to Library saves the title in your personal library. You can add texts in your library to any course.
12. Click My Courses to return to your course list.
13. To manage an individual course, click Manage Course.
14. Optional: to separate the course and adopt different materials by section, click Manage by Section.

15. On the course page, you can see the status of textbook adoptions. Textbooks remain Pending until the Department Administrator approves the selection.
16. Scroll down the page to adopt additional texts via Discover or from your Library.

17. Click Create Content to build your own book. You can include your own materials and publisher texts.
18. Provide student instructions, as needed.

19. Click on My Library to see saved texts.
In My Library, click Adopt to add texts to your courses.
21. Use the check box to save the text to a course, and set usage requirements.

22. Click Message Center in the upper-right corner of the screen to contact the ASU Bookstore.
23. Click Settings to manage email notifications.
